## Welcome to the CEPD registration website

Our mission is to create an environment that promotes excellence in patient care by providing state-of-art professional development programs for the healthcare community. At the CEPD we offer a wide range of courses to support the growth and interests of the health care professional.

## Faculty

Below are the upcoming activities where you've been assigned as faculty (up to 25):

- Adult Critical Care Series: Neurologic Dysfunction - 2/5/2020

Welcome to the Stanford Center for Education and Professional Development (CEPD) Faculty Portal.

Please complete the tasks assigned below. A red box indicates that the task is incomplete, and a green check mark indicates that the task has been completed.

- [Audio Visual Requirements](#)
- [Disclosure of Financial Relationships](#)
- [Upload Faculty Photo \(Optional\)](#)
- [Presentation Release Form](#)
- [Upload Curriculum Vitae](#)
- [Upload Faculty Bio](#)

Click each form and complete it online.

**Note:**

- All forms are valid for **12 months**. If there is a change, please click the form and update info online.
- “Upload Presentation Files” may be sent in a separate email (see next slide for more explanations)

## **NOTE:**

Presenters need to upload their PPT ASAP as nurse planners have to review the slides for potential COI and HIPPA issues before publishing a PDF format to learners.

If the presenter doesn't upload the PPT **72 hours** before the educational activity date, learners will not be able to view it under the syllabus.

The training center coordinator will publish the Presentation file after the activity.
