2022 CONTROLLED SUBSTANCES AND BEYOND

The Pain Puzzle, A Comprehensive Overview

The Center for Advanced Practice is proud to offer an advanced practice program geared toward prescribing providers that focuses on the principles of pharmacology across the lifespan in relation to Schedule II-V controlled substances. The course explores assessment, treatment, management, evaluation, and standardized procedures and protocols of controlled substances, with an emphasis on Schedule II. Additionally, the course will review the legal and prescribing aspects associated with pain management as well as misuse, abuse, drug diversion, controlled substances in the pediatric population, and ethical considerations. This is an all-day program with a spectacular advanced practice faculty.

Rebecca Castro
MS, AGACNP

Jason Low,
MSN, RN, AGNP, AANP

Noah Fang
PharmD, BCPS

Joseph Lyon
MSN, PMHNP-BC, FNP-BC

Kate Johnson
MS, CPNP-AC

ANCC Pharma: 7.25 Contact Hours | CA BRN: 7.25 Contact Hours | AAPA Category 1 CME: 7.25 Credits

1. Stanford Health Care is a provider approved by the California Board of Registered Nursing (BRN). Provider Number CEP12165.
