

**2024 CONTROLLED SUBSTANCES AND BEYOND:
The Pain Puzzle, A Comprehensive Review**

May 31, 2024 | 8 AM – 5 PM | Live Webinar

New!

This course meets the one-time 8-hour MATE Act training requirement for all DEA-registered practitioners!

Register Now

Stanford Health Care is a Controlled Substance Education Course Provider approved by the California Physician Assistant Board (PAB). This all-day program is presented by a spectacular advanced practice faculty who will explore assessment, treatment, management, evaluation, and standardized procedures and protocols of controlled substances, with an emphasis on schedule II. By the end of the event, learners will gain knowledge of substance use disorder, use controlled substances based on evidence-based practice, and follow the latest guidelines to enhance public health and safety.

Fee: \$149

(No refund for cancellation or no show)

Credits

ANCC:ANCC: 8.00 contact hours
