

## 2021 Advanced Practice Providers Topics in Acute and Ambulatory Care

October 7-8, 2021 @ 8:00 am-3:30pm

The Stanford Health Care Center for Advanced Practice is proud to offer its 9th annual conference designed to review evidence-based practice updates on a variety of topics in acute and ambulatory care. This virtual conference will explore current diagnostic evaluation tools, updated guidelines, and treatment strategies that are relevant to healthcare providers. Learners will update their knowledge and develop strategies to use best practices based on current guidelines. To view conference agenda, please click or scan the QR codes below.
